Final copy, scene by scene · v1.0

Voice: warm, dry, precise. Short sentences. Customer language from the market research.

No exclamation points, no buzzwords, no “revolutionary”. Humor is deadpan, never cute.

MONO lines are set in the technical mono-label style.

SCENE 06 — WILL MY CAT USE IT?

H2: Will my cat actually use it? **Answer:** Almost certainly — and here's the biology.

2. **Enclosure.** Curved walls read as safety. Bowls beat mats, every time.
3. **Proximity.** They don't want your keyboard. They want you.

2. **Turn it.** Tighten the star knob until snug. MONO: 3 TURNS
3. **Done.** The spot is theirs. MONO: 0 TOOLS

Fold coda (small line beneath the steps): Need the space back? Lift, press the side button — it folds flat against the desk. MONO: 1 CLICK

SCENE 10 — FAQ

H2: Quiet answers.

Will it fit my desk? Any edge between 20 and 75 mm thick — solid wood, laminate, marble, metal. Not glass: the clamp grips hard, and glass doesn't like being gripped.

How much weight does it hold? Tested to 22 kg. The average cat is 4–5 kg. Even a very committed Maine Coon has a comfortable margin.

Will it scratch my desk? No. Both jaws are felt-padded, and the knob is hand-tightened — you control the pressure. No marks, no residue.

What if my cat ignores it? Give it a day, and try a pinch of catnip in the basket — most cats claim it within 24 hours. If yours holds out for 30 days, send it back. Full refund, no questions, no guilt.

Can I wash it? Yes. The plush cover unzips off the frame and machine-washes on a gentle cycle. Air-dry, fluff, zip back on.

Is there any assembly? About three minutes, no tools: slip the cover over the frame, zip it closed, clamp it to your desk. Everything you need is in the box.

Can I fold it out of the way? Yes — lift the basket and press the side button, and it folds flat against the desk edge. One click down, one lift back up. The clamp stays put.

Does it work on standing desks? Yes — just give the knob a check-turn after big height changes. The clamp doesn't mind the ride.

Shipping? Dispatched within 48 hours, tracked, free over \$60. 30-day returns from the day it arrives.
